

## Description

Adherence to ethics is of utmost importance in every sphere of life and [academic publishing](#) is no different. It is absolutely essential that researchers are aware of and follow ethics concerning publishing. Non-adherence to ethics can have serious consequences and may also lead to the retraction of manuscripts. In this podcast, **Roger Watson, Editor-in-Chief of *The Journal of Advanced Nursing*** will help you to increase your awareness concerning publishing ethics by sharing his insights on ethical issues and how these can be avoided.

Here, you will learn about:

- What are Publication Ethics
- Importance of Publication Ethics
- Types of Ethical Issues in Publishing
- Tips in Avoiding Ethical Issues
