

Description

With an exponential increase in retractions, publication integrity takes center stage in research communication. As we gear up for Publication Integrity Week 2024 from November 18-22, Enago is excited to contribute to the global conversation and promote an ethically robust future for publishing.

Join us to celebrate a week filled with valuable insights, thought-provoking conversations, and dialogue on the importance of ethical research publishing.

Don't miss out on these exclusive events and resources aimed at empowering your ethical publishing journey!

Do you have insights on research integrity and publication ethics? Share your thoughts in the form of an article, thought piece or an opinion piece, PLS, or commentary to our Open Platform to mark your presence during the week. We also invite you to join the conversation on social media by tagging @EnagoAcademy and using the hashtag #PublicationIntegrityWeekWithEnago.

Let's come together to shape a future where publication integrity stands as a pillar of academic excellence.
