

Description

Community engagement is essential for advancing inclusive access to information — a goal that resonates deeply with this year's [Open Access Week \(OAW\) theme, 'Community over Commercialization.'](#) Enago is proud to contribute to this mission and invites you to be a part of our OAW celebration from October 21 – October 27, 2024. Together, let's lead the modern academic community for exploring the fundamentals of Open Access and its impact on knowledge dissemination!

Get ready to fuel your curiosity! Save the dates for a week packed with exciting events! Here's a glimpse of how we plan to "[Embrace Community over Commercialization](#)" this year:

Open Access Week 2024 With Enago

OCT
21

Listicle article: “Simplifying the Journal Finding Dilemma: 5 tools for finding open access journals”

OCT
22

Glossary: “Open Access Terminology Guide: Key definitions for researchers and academics”

OCT
25

Podcast: “Advancing Open Science: Leadership, inclusivity, and global collaboration– A conversation with Matthew Buys”

OCT
26

Thought Piece: “Role Of Preprints In Promoting Community Over Commercialization”

up as we embark on an exhilarating journey packed with insightful exchanges with innovators, academics, and industry leaders as they share their opinion about Open Access. [Sign up now](#) for our free events and be a part of the conversation!

But wait! There’s more. Join [Open Platform](#), our thriving community, to share your unique ideas and perspectives to participate in equitable knowledge sharing.

We’d love to hear from you! Tag @EnagoAcademy and use #OAWWithEnago to share your views and experiences with our global community.

Join us in shaping the future of knowledge sharing!
