

## Description

As the tenth edition of [Peer Review](#) Week (PRW) is on the horizon, Enago — a proud steering committee member — is thrilled to explore this year’s theme: “Innovation and Technology in Peer Review”. We’re set to dive deep into how cutting-edge advancements are reshaping the peer review landscape, driving efficiency, and fostering a new era of scientific communication.

So, mark your calendars for an electrifying week of discovery and dialogue, running from September 23 through September 27, 2024! Here’s a sneak peek on how we plan to “Innovate, Inspire, and Revolutionize” this PRW.

# Innovate, Empower, Revolutionize
