

Description

A well-drafted rebuttal letter helps convince referees and editors that your paper is good and that it could be reconsidered for publication. Often, it is your last opportunity to emphasize the quality of your work during the peer review process. This smartshort highlights important points to keep in mind while writing a rebuttal letter. You can read a detailed article on writing a good rebuttal letter [here](#).

Tips to Write a Good Rebuttal Letter

Be polite and modest

Analyze with a reviewer's perspective

Provide detailed and point-wise replies

Give a logical reason for your disagreement

Highlight all changes

Review it from an editor's perspective

Explain everything accurately

End on a positive note
