?????The Harvard Method?

?????????????????Author-Date?????—?????????????????

According to Stewart (1996), this is not always the case. ?

It is unrealistic to expect learners to acquire native-speaker English when they simply do not need it (Rampton 1990).

???????????????

Butcher (1991:78) gives an entirely different explanation of the phenomenon.

?????????????????????

It is forecast that the number of banks closing will continue well into the next century (Lloyds Bank, 1998).
