6 TIPS TO AVOID JOURNAL REJECTION

default watermark

1. CHOICE OF JOURNAL

- Make sure that your manuscript is within the **scope of the journal** and its target audience.
- **Seek advice** from senior researchers before shortlisting a journal.
- Always submit to **one journal at a time** and never re-submit to the same journal if rejected.

2. FOLLOW AUTHOR GUIDELINES

- **Adhere to all instructions** in the journal guidelines & highlight the key points.
- Prepare a checklist and **check all the points** before submission.
- **Hire a science editor** to help you out with these instructions if you lack time.

3. AVOID DUPLICATION & PLAGIARISM

- Always acknowledge sources through **proper referencing**.
