????

This **FREE** webinar will help attendees enhance their understanding about the open access (OA) model and also provide tips on how they can select an appropriate open access journal for their publishing needs.

After this session, you will have more information on the following:

- Awareness regarding different types of OA models and their evolution
- Importance of publishing in OA journals
- Awareness regarding predatory journals/ publishers and how they can be identified
- Understanding payment and copyrights policies adopted by OA journals

- Discuss recent developments/trends in the area of OA publishing
